
ONLINE BUYBACK FAQs

Q HOW DO I SELL MY BOOKS ONLINE?

Parents and students who want to sell their books at their convenience can go to www.VarsityBooks.com and click on the Cash for Books link.

Q HOW DO I SHIP MY BOOKS TO VARSITY?

Pack your books in a box/carton so they are not damaged in transit. A box is preferred over a padded mailer or other envelope. Include the packing slip and printed copy of your buyback confirmation. Attach the completed buyback mailing label to your package. Then give it to your postal carrier or take it to your local post office. No postage is required.

Q WHAT WILL VARSITY BE BUYING BACK?

We guarantee to buy textbooks that your school plans on using in the 2009-2010 school year. If the inventory is needed, we may purchase textbooks that will be used by other schools in our program. We will not buy some soft cover textbooks, workbooks, lab manuals or other books students typically write in for classes.

Q WHAT CONDITION DO MY BOOKS HAVE TO BE IN IF I WANT TO SELL THEM?

Only textbooks that are in good, resalable condition will be bought back. We will not buy textbooks that have excessive highlighting or markings, water damage, torn or missing pages or broken bindings.

Q HOW MUCH CAN I EXPECT TO RECEIVE FOR MY USED BOOK?

Students can expect to receive up to 40% of the new textbook price for titles that are going to be used again at your school. Prices are based primarily upon the condition, adoption status and total demand for the book.

Q WHEN CAN I EXPECT PAYMENT FOR MY BOOKS?

You can expect to receive payment by check 30 days after we have received your books and verify their condition.

ONLINE BUYBACK. ALL DAY. EVERY DAY.
